

Solidarity Forever by Ralph Chaplin

[Chorus]

Solidarity forever

Solidarity forever

Solidarity forever

For the union makes us strong

When the union's inspiration through the
workers' blood shall run

There can be no power greater anywhere
beneath the sun;

Yet what force on earth is weaker than the
feeble strength of one
But the union makes us strong

[Chorus]

It is we who plowed the prairies; built the
cities where they trade;

Dug the mines and built the workshops,
endless miles of railroad laid;

Now we stand outcast and starving midst
the wonders we have made;
But the union makes us strong

[Chorus]

They have taken untold millions that they
never toiled to earn

But without our brain and muscle not a
single wheel can turn

We can break their haughty power, gain our
freedom when we learn

That the union makes us strong

[Chorus]

In our hands is placed a power greater than
their hoarded gold

Greater than the might of armies, magnified
a thousand-fold

We can bring to birth a new world from the
ashes of the old

For the union makes us strong

[Chorus]

Lead With Love

Chorus (do twice)

You gotta put one foot in front of the other
And lead with love

Put one foot in front of the other
And lead with love

Verse: Don't give up hope
You're not alone
Don't you give up
Keep movin on

Lift up your eyes
Don't you despair
Look up ahead
The path is there

I know you're scared
And I'm scared too
But here I am
Right next to you

We Shall Not Be Moved

We shall not, we shall not be moved

We shall not, we shall not be moved

Just like a tree that's planted by the water

We shall not be moved

[Verse 1]

The union is behind us

We shall not be moved

The union is behind us

We shall not be moved

Just like a tree that's planted by the water

We shall not be moved
